**"Heroes Serving Heroes"**

**Coatesville**  
VA Medical Center

**Do you have the desire to work independently in a specialty RN position? If so, we have several career opportunities for you:**

- **Nursing Educator for Geriatrics and Extended Care** - BSN required; MSN preferred with at least 2 years geriatric/long term care experience and at least 2 years experience in nursing education. This position would be accountable for clinical and classroom instruction for Medical Center personnel on all tours to meet the needs of the residents/clients. The Nursing Educator plays a key role in supporting the progressive cultural change philosophy of our Community Living Centers.
- **Quality Improvement Coordinator for Primary Care** - BSN required/MSN preferred. This high level position is for Professionals who are able to function independently. Five years of med/surg and/or outpatient experience and quality improvement experience a plus. In primary care, you report directly to the Director for Primary Care, while working with a highly motivated group of nurses, providers and clinical support staff in planning and coordinating improvements in inpatient, outpatient and home based programs.
- **Unit Manager** - BSN preferred, supervisory/management experience a plus, and mental health experience required.
- **Evening Charge Nurse with Mental Health Experience** for acute psychiatric unit. A 10% retention bonus offered for this challenging position.

**Our Benefits package includes:**

- Competitive salary
- 10% shift differential, 25% weekend premium pay
- 10 to 15% incentive allowance for Acute Care & Acute Psychiatry Units
- 10 paid Federal holidays; double pay for holidays
- Term life insurance & multiple healthcare plans
- 26 days paid vacation & 13 days paid sick
- Educational Debt Reduction Program and Savings & Investment Plan
- Federal Employees' Retirement System
- RN licensure accepted from any of the 50 states & Puerto Rico
- While meeting the needs of our patients is our top priority, we offer true flexibility in scheduling to make sure you can take care of your top priorities too. *And yes, it really is as good as it sounds.*

**RN Sign-On Bonus up to \$5,000**
