- Spiritual Counseling

The Chaplains are at your service during your stay in this medical center. Ministries include the following:

- Private devotions (Scripture and prayer)
- Talking about spiritual problems. If the problem affects the way you feel about life, it is a spiritual problem.
- Calling your clergyperson (pastor, minister, rector, priest, rabbi, or imam), faith community or spiritual advisor.
- Consulting your doctor or other members of the medical center staff or faculty member.
- Let the Chaplains know directly or through the volunteer or ward personnel when you desire sacraments, ordinances or rites that your chaplains can provide.

Chaplain and Chapel services are available to veterans, their families and the staff as determined by VA Policy
